07:45

Departure of bus from hotels to CHETMA Campus

08:20 – 09:00

**08CAB****Prof. Hocine Benmoussa** (*U. Batna*)

La crise et l'investissement dans les énergies alternatives: renouvelables, nouvelles, gaz de schiste...?

09:00 – 09:40

**09CAB****Prof. Soltane Lebaili** (*USTHB, Alger*)

L'assemblage métallique en technologie nucléaire

09:40 – 10:20

Coffee break and Poster Session A2: Mechanical and Materials engineering

| Session A1: Metallurgy                                                               | Session A2: Mechanical and Materials engineering                                   | Session B: Energy engineering                                                |
